Leading Successfully: The Role of the Chairperson Within the Works Council

Special offer for English-speaking works council chairpersons

Successful management of the works council:

- :: safeguard the continued operation of the works council
- :: pass resolutions: from invitations to meeting minutes
- :: lead works council meetings efficiently and effectively
- :: archive agreements, documents and minutes
- :: organize committees and working groups efficiently
- :: ensure confidentiality and secrecy

Handling power dynamics, criticism, and conflict:

- :: manage lists and factions skillfully
- :: handle resignation, dismissal, and re-election processes correctly
- :: navigate enforcement measures and legal action

Negotiation skills and assertiveness:

- :: move beyond defensiveness: counterattacks and "killer phrases"
- :: identify and reduce stress factors
- :: create lasting impact: tools for greater resilience and confidence

Effective self-conduct and team leadership:

- :: clarify your own motivations
- :: manage expectations and analyze team structures
- :: identify and guide group dynamics
